

Virtual Public Scoping Meeting Instructions

In addition to the in-person public scoping meeting, the Department of the Air Force (DAF) will host one virtual public scoping meeting to allow members of the public to learn about the project. The virtual public scoping meeting will present the same information as the in-person public scoping meeting.

To register to attend the virtual scoping meeting or submit public comments electronically, visit www.492sow-beddown-eis.com

- **Tuesday, June 4, 2024, 5:30 p.m. – 7:30 p.m. (local time)**

Please review the instructions and tips in advance of the public scoping meeting.

VIRTUAL PUBLIC SCOPING MEETING INSTRUCTIONS:

- Connect using the Zoom link below:
 - <https://us02web.zoom.us/j/85953490618?pwd=MIBSaWYzeW5PNUVPY1dKTndNUWNqQT09>
- Or join by phone:
 - 1-888-788-0099
 - Webinar ID: 859 5349 0618
 - Passcode: 028149

VIRTUAL MEETING TIPS:

- Prior to the meeting, **please access the Zoom link above and download any needed software**. This may take a few minutes, so it is best to download software in advance of the meeting. When logging-on to the meeting, please indicate your organization name in parentheses after your last name, if you represent one.
- All lines will be muted upon entry and stay muted throughout the meeting and video feeds will not be permitted.
- If you need assistance, please use the chat function to send a note to the meeting host. For call-in only users, press *9 to raise your hand.
- If you need assistance accessing the meeting, please email 492SOWEIS@icf.com
- To hear audio when connecting through the Zoom link, please make sure the volume on your computer speakers is on and that you do not have any programs

with audio features (e.g., Skype, Spotify, YouTube) open that may interfere with the online meeting audio.

- A presentation video will be played during the virtual hearing, so please ensure your audio is working. As the video is playing you can use the Zoom Q&A feature to type in any clarifying questions you may have for the informal Question & Answer session.
 - After the presentation, there will be an informal Question & Answer session which will allow you to ask any clarifying questions to the DAF personnel. While this is your opportunity to receive additional information on the content provided in the presentation, questions are not considered official public comments that will be factored into the development of the Draft EIS.
- Individual internet connections and bandwidths may impact your viewing experience during the virtual hearing. It is best to close all other applications (i.e., Outlook) and limit streaming or downloads during the virtual hearing.

To ensure that the DAF has sufficient time to consider public input in the preparation of the Draft EIS, public comments should be submitted by **June 14, 2024**. Electronic comments can be submitted on the public website at www.492sow-beddown-eis.com, or by mail to Mr. Nicolas Post, U.S. Air Force Civil Engineer Center, AFCEC/CIEE, 13397 Lakefront Drive; Suite 100, Earth City, MO 63045.
